

Tutorial – Dropshipping

<https://www.davidts.biz/>

1. How to enable the drop shipping mode?

1.1. Check the box on the right top corner

1.2. Please read the text

Warning, you went into dropshipping mode

We are showing the recommended price.

This tool allows you to show items you haven't in your shop to a customer. We will send the item directly to your customer.

You can bill your customer with the showed price and we will bill you in your usual price + shipping cost

We fixed the shipping costs at 12€ for France, 7€ for Netherlands, 6€ for Belgium, 8€ for Germany and 7€ for Luxemburg. This tool is not available in other lands.

Feel free to ask shipping cost to your customer

To go back to your wholesaler price, you can uncheck dropshipping mode on the top right from any pages
